Mark of the Wheel

Take us onward, lead us onward was our plea
Help us break the bonds of ignorance, make us free.
Thus we sought someone to guide us
Someone to help and stand beside us
And they answered "Follow me, Follow me."
So we started life on trails well charted
By forefathers long since departed.
Through their tracks they could reach us.
Left us things to guide and teach us.
And we shouted "Let's get started, Let's get started"
Like the men whose onward footprints marked the dust
Men who held God's power in trust.
With courage and faith, hand in hand
They pushed their wheels across the land.
Saying, "Man can triumph if he must—triumph if he must."
Lest that effort go by in vain
Renew their courage once again
Make our mark and turn our wheel
Defend our heritage with strength of steel.
Let our tracks always remain—always remain.

Dedication

The pioneers, our grandparents and great-grandparents, settled this area of the West many years ago. Since that time, it has been you, our parents, who have furthered the development of our valley. In so doing, you guided us in our childhood and school education. Because we appreciate your guidance, this, our 1960 Idamont, is dedicated to you, our parents.

Symbolic of the pioneer era is the whip of the Wagon Master. It represented authority, strength of character, and the trust of a traveller in the guiding ability of a fellowman.

Today, a century later, our generation is travelling. We are seekers, and we have put our trust for guidance and direction in our faculty and administration. They did not fail us. What we do with our chosen symbol, the diploma, will determine if we have failed them.

Worthy objectives are essential to progress—and an absolute necessity for true happiness. It is my wish that all students set up objectives or goals that contribute to the improvement of society and self. Objectives that will preserve the American way of life; that will lead to a burning desire to learn and seek for truth; that will lead to appreciation and pride in the liberties we enjoy; that will lead to an understanding of the American concept upon which this country was founded. Preservation of the essential dignity of man under God and the Law. Like the track of the wagon train that has been embossed in the historical development of our nation, let your mark of achievement be deep and worthwhile.

1960 Seniors of Montpelier High School:

With your graduation this year the roster of M.H.S. Alumni will total 2371, beginning with the first graduating class in 1910 with two graduates. You thus become a part of a good sized intellectual army of which your Alma Mater is justly proud. Very many in these ranks have reached enviable distinction in various fields of post-high school life. We challenge you to become a creditable segment, individually and as a class, in this growing and self-selecting group. There is always room at the top!

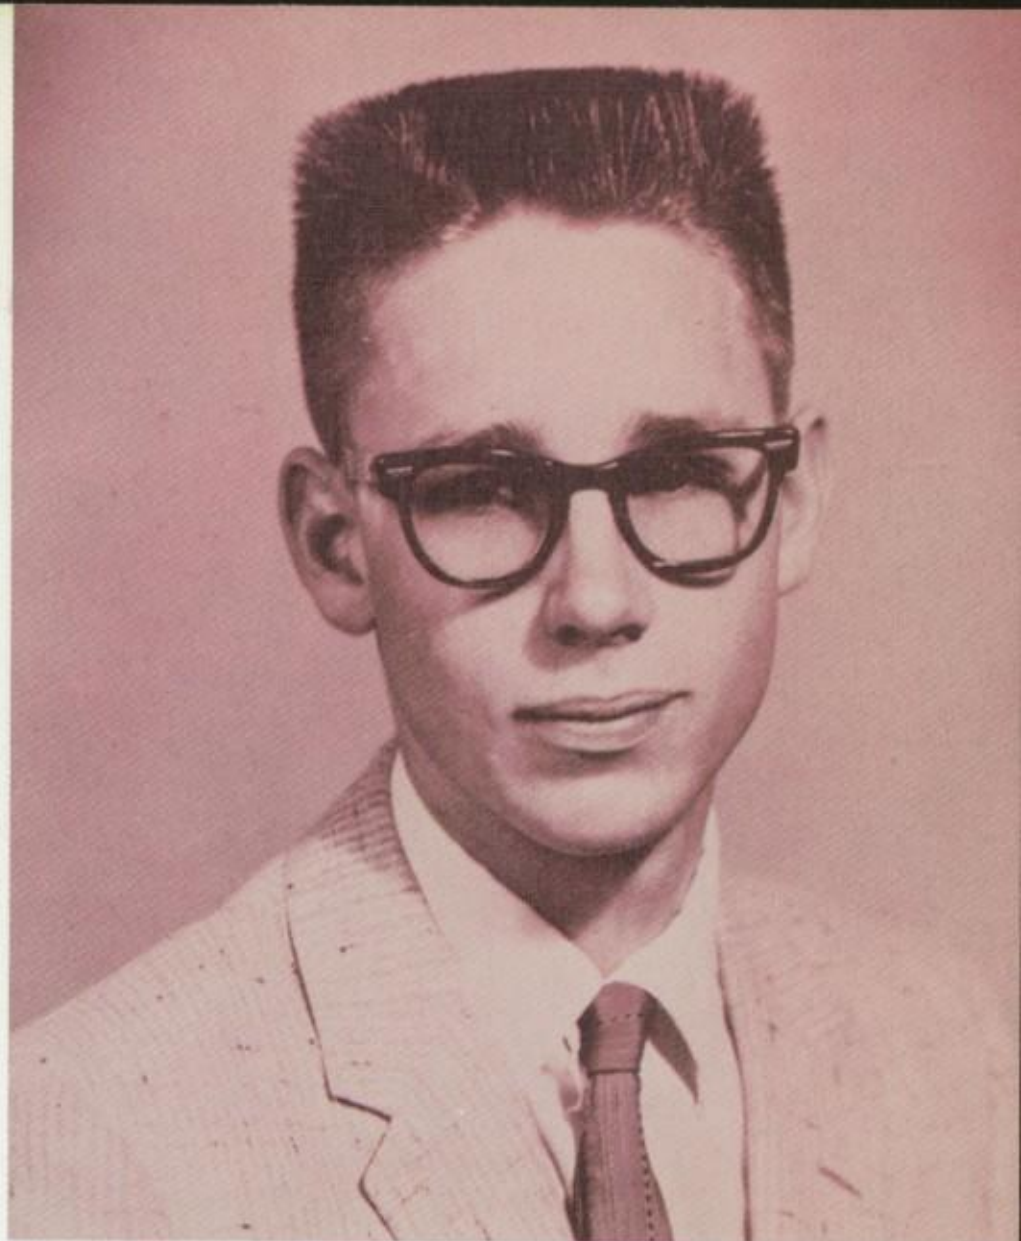

SCHOOL BOARD

Left to right: Bob Johnson, Sivel Nielson, Amos Hulme, Superintendent A. J. Winters, Marriner Jensen, and Lloyd Sleight. Often cussed and discussed, yet loyal in their efforts for better schools in Bear Lake County, these men have burned the midnight candles many times in our behalf.

The 1959-1960 school year has been one of the best in the history of M.H.S. We feel this success can be attributed to the spirit and cooperation that you as a student body have shown. May this spirit continue throughout our lives. We as student body officers extend our thanks for the opportunity we have of serving you.

The slate and writing tool are representative of learning in the past. With these simple tools the children still learned.

Today, our means for educating are varied and often they are expensive. But, they serve their purpose—they bring us to a greater height of learning. Whether a beginning freshman, struggling sophomore, yearning junior, or satisfied senior we must push on with pioneering spirit.

Success came readily through the combined efforts of all the Senior Class members, and their advisors. Led by Jim Rich, president, Gordon Keetch, veep, and Terrell Skinner, secretary, the class was off to a good start. Mrs. Christine Michaelson and Mr. A. M. Rich were the advisors who led the class to score victories in all that they did. The Senior Class Assembly was voted by popular majority (verbal) the best ever put on.

The Seniors of 1960 will leave the hallowed portals of M.H.S. and take with them many wonderful and happy memories. Never again, after high school graduation, will these few young adults have with them the living, glowing memories of the past four years. The assignments, parties, dances, Senior trips, and collection of money leave many things to the underclassmen to desire. Some of our outstanding events in the four years we were at M.H.S.: we went to Lagoon, the only class to do this, and also have the reputation of starting the Sophomore Hop.

Our best wishes to the class of 1960 and we give our sincere desire in hoping that the future will hold the happiness of the past four years.

In Memory

On the 31st of October, the students of Montpelier High were saddened by the tragic death of their classmate, Larry Dayton. On the 30th, Larry and a group of kids were driving about 2 miles east of Montpelier on highway 89. The car wrecked, seriously injuring the occupants. The following morning Larry died.

A memorial in remembrance of Larry was presented by the school in a Student Body Assembly.

Larry was friendly to all. Those who were closest to him remember his love for hunting and the out-of-doors, as well as his interest in cars.

Junior Class

Smiling about their class and its accomplishments are Vice President, Terry Anderson; Secretary, Kathleen Michaelson; and President, Brent Kunz.

Throughout the year, many changes were made in the teaching profession. In return for Mrs. Neeley, we have Mrs. Vermaas, and in Mr. Loveless' place is the newest recruit, Mr. Dale Blackham. We, as the Junior Class, would like to say we really appreciate the fine work that the advisors have done and we think they deserve a vote of thanks from all.

As shown here compliments by the dozen are well deserved by this hard working group. As in the staff picture, you can see it's quite a mixture of students (gloomy and exuberant) have helped make the school yearbook a big success.

We would like to thank our editor, Carol Leigh Whitman, and advisor, Mr. Wilde for all the time and effort that they put in to make our yearbook the best yet.

Ann Kunz and Mary Kay Grimes were persuasive and so had little trouble procuring ads. The trouble as seen here was in drawing up the pages.

Yes, those Ag. boys have gay times!!! As is shown here, a "wet" time is had by all at an enjoyable swimming party. It seems as if innertubes and Steven Crane all go together.

The biggest event in the F.F.A. boys' activities is the choosing of a Sweetheart. The pretty choice this year was Dianne Skinner. She poses with F.F.A. officers as shown from left to right: Bill Jensen, Robert Esterholdt, Gordon Keetch, Jim McCammon, Dennis Jensen, and Bruce Arnell.

Here the Ag. boys are shown "in action" at the annual F.F.A. funnigh. This group of boys always seem to have fun, at dances, swimming parties, or a play night. Randy Keetch puts up the net, Steven Esterholdt shoots a basket as does Bill Jensen, while Mr. Skinner and Gordon Keetch look on.

The two mascots pictured below are Debbie Burgoyne and Susan Perkins. Doing much to spirit the team to victory these girls were seen cheering along with the Pep Club and all.

At night after the wagons had rolled to a stop, campfires were surrounded by singing pioneers. If a fiddler was present a lively square dance resulted.

We too, sing and dance in Cantata and the Senior Ball or Junior Prom. A record of these activities is one as full as a brimming water pail.

Opening Assembly Sept. 9

Homecoming

These M.H.S. students show vim and vigor prior to the Paris-'Pelier game. Our school spirit showed up wonderfully at the pep rallies.

This alumni member, Robert Trussell, is displaying his talent with his partner Jerry, at the Homecoming Assembly.

Cheering the team to victory was the Montpelier Pep Club. Their enthusiastic yells sparked the team to a 40-0 defeat.

After such a thrilling athletic contest how could we help but enjoy this dance?

F.F.A. Sweetheart Ball

October 23

Susan Perkins, Virginia Kinney, Lourien Ludwig, Gladys Clark, Diane Skinner were the F.F.A. candidates.

The dance was well represented and everyone in attendance enjoyed themselves. Marian Jauss, Gordon Bradley, Mary Kay Grimes, and Bob Moss look happy.

Crowned queen for an evening was Diane Skinner, and her two attendants were Virginia Kinney, and Lourien Ludwig. These girls were crowned by the F.F.A. Officers, Robert Esterholdt, Gordon Keetch, and Jimmy McCammon.

Championship Game Oct. 30

Both sides cheering the teams on to victory, Montpelier Bears go on to defeat the Preston Indians. The score . . . 13-0. School was dismissed early as the student body went in mass form to cheer on the Bears.

"Old Man River," crooned the most talented singer we had in our National School Assemblies. Singing from the wheel chair, his voice carried loud and clear throughout the auditorium.

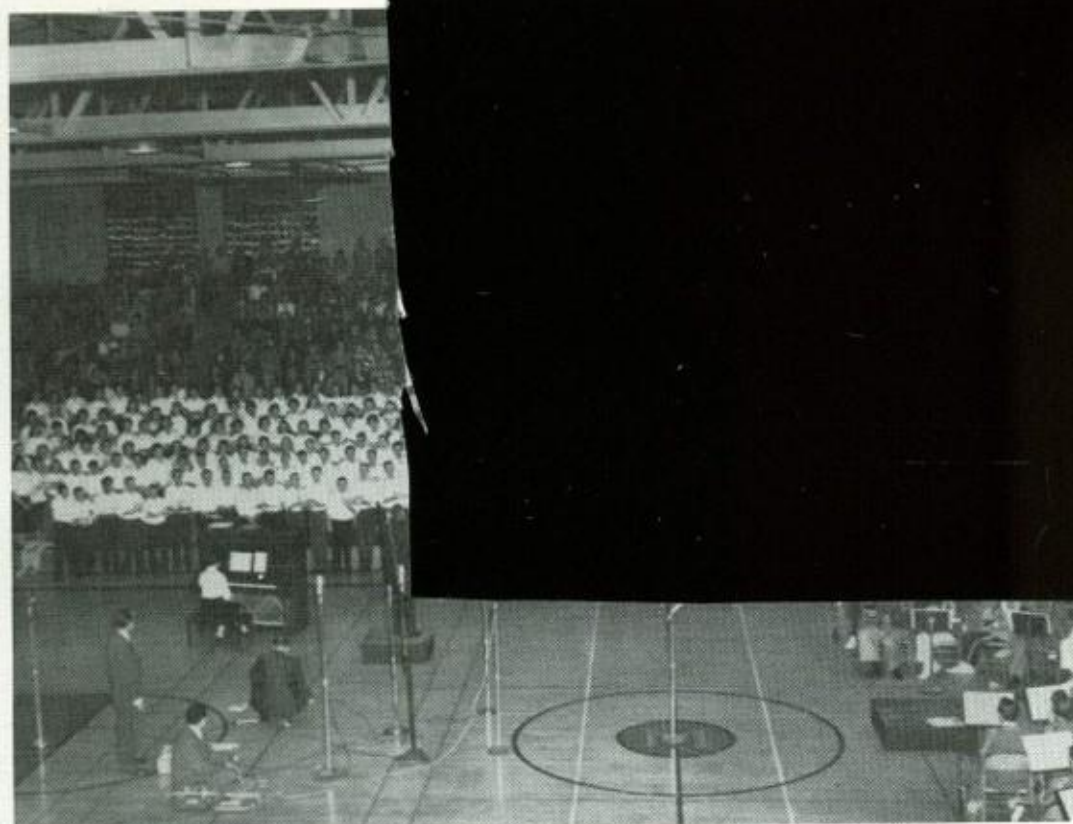

Halloween Dance Oct. 31

Gladys Clark, Sherry Telford, Bill Jensen, Gordy Bartlome, and Cherrie Tippetts, all enjoy the dance on Halloween Night. It wasn't a bewitched evening, but a good time was had by all.

Music Clinic

With Montpelier as host of music clinic the musical talents of this mixed chorus perform before an appreciative audience.

Mr. Dittmer, an accomplished musician of U.S.U. puts heart and soul into the directing of the girls chorus.

With the talented direction of Mr. Martino, the 185 piece concert band soon whipped into one large well organized unit. Climaxing the two days of terrific effort on the part of guest instructor and student musician was the concert performance. Top talent, top leadership and effort made top entertainment for all who attended.

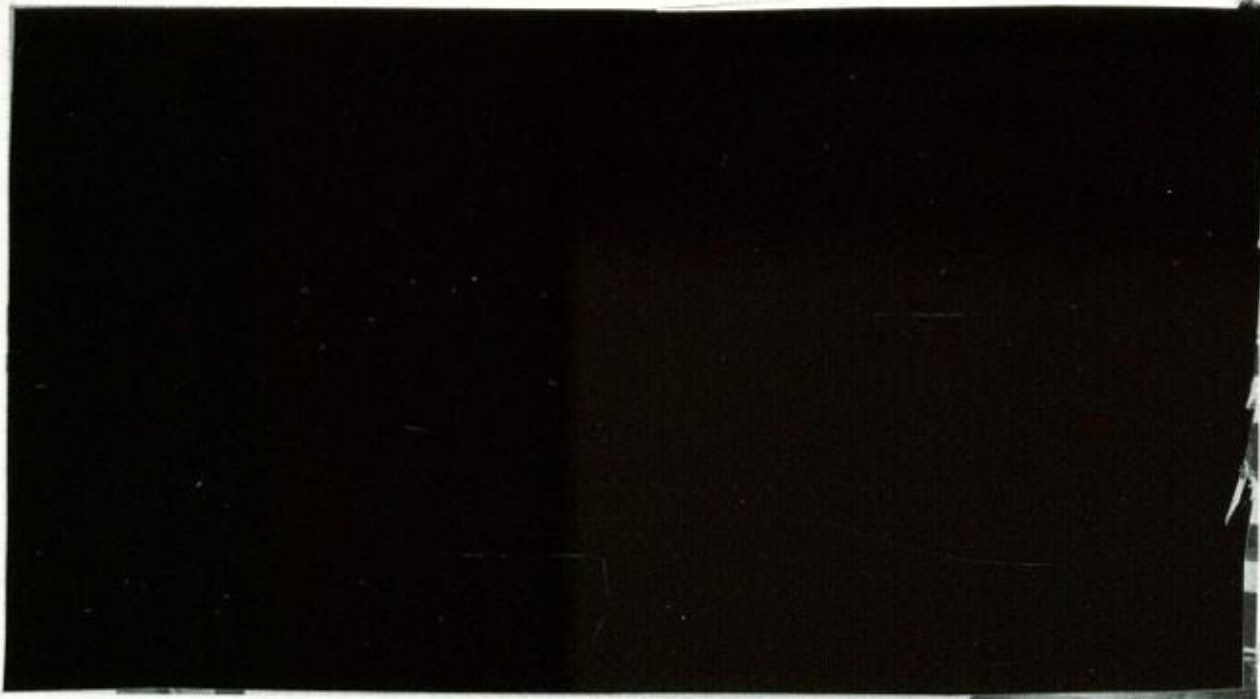

To highlight the first exhausting day at clinic, this "welcome" dance was well attended and appreciated. Dale King, Michelle Hirschi, Pat Stephens, Ruth Reeves, and Judy Wells are laughing about the good times they had at Music Clinic.

Do too many cooks spoil the broth? Or was it cakes? Here we see bakers Brent Kunz, Jim Aland, Larry Rigby, Steve Pugmire, Guy Arnell, Terry Batemen, Jay Peck, Gene Widmer and Rulon Homer, all trying for the honors.

F.H.A. Week
Nov. 9-14

Jay Peck is seen modeling a suit in the F.H.A. Style Show. Jay and all the other contestants modeled clothes and gave the student body a very entertaining morning.

The F.H.A. dance was enjoyed by all—especially Patty Stephens and Guy Arnell.

Crowned King of the F.H.A. was Brent Kunz. This honor was placed upon him by Karen Larsen.

To the Idamont Sock Hop came this jubilant group: George Shepherd and "her" unidentified partner and Skip Modula and "her" beau Jack Evans.

Shown here enjoying the dance are several M.H.S. students. John Nield is apt to bite his tongue off, but Linda Bartlome doesn't seem to mind.

MHS Cantata Dec. 23

Blessed with the ability to sing, Sheldon Hansen has kept the bass section of the Chorus going strong. Here he is taking part in the annual Christmas Cantata.

The annual Cantata which featured Christmas music was well-attended by students of MHS, the townspeople, and college students home for the occasion. The decorations, seen at left and below are the artistic talent of Mr. Baker. They are put up by the freshman girls' glee.

The choir as well as soloists and ensembles are heard. This year's soloists were: Sheldon Hansen, Sheryl Dunn, Linda Rosen, Michelle Hirschi, Jenny Kinney, Richard Anthony, Jack Evans, Carol Leigh Whitman.

Accompanists were Piano, Kathleen Michaelson, and Organ, Gladys Clark.

The yearly Christmas Cantata put on and presented by the M.H.S. Choir is one of the things that we looked forward to during the holidays. Silver bells, candles, and the painting of Our Father complete the scene for a wonderful job done by the choir, and their talented leader, Mr. Baker.

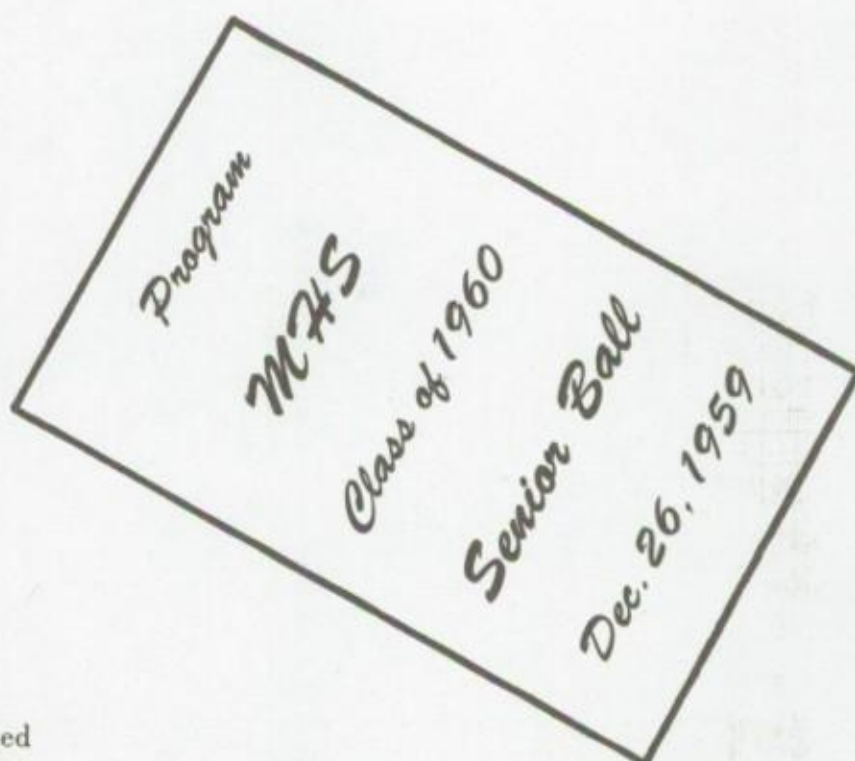

Senior Ball

Carrie Kunz, Dixie Swa, and Roberta Bagley carry out the theme of the Senior Ball by singing "Silver Bells." In the background was the orchestra of Gary Falter and the Five Aces.

Home for the holidays, many of the college students were able to enjoy the Senior Ball.

Over the threshold into the realms of a decorated "Silver Bells" comes Gladys Clark and her pardner, Spencer Rigby helps her over into the transformed gym. Larry Rigby lingers in the background.

Junior Assembly Feb. 12

As the curtain closed on the Junior Assembly this varied cast appeared for their final debut.

Virginia Kinney and Rhena Nield shocked everyone as they professionally performed the "Charleston"—and what's more—they enjoyed it!!

F.F.A. Banquet Feb. 18

A delicious meal, a gracious President, Ag boys, parents and honored guests all contribute to the very successful F.F.A. Banquet.

Sophomore Assembly Feb. 19

A group of vivacious lady golfers added much to the pleasure of King Arthur and the remaining guests during the Assembly.

Guinevere (Diane Skinner) seems to be nagging King Arthur (Glenn Ritter) as he stands by nonchalantly—only adding to this prize-winning assembly.

Pep Club Formal March 26

Rodney Wood, Glay Homer, Steve Pugmire, Richard Anthony, Larry Rigby, and Brent Kunz are representative of our Pelier boys as they pose for the "Preferred Man" shot! Spencer Rigby and Bob Moss were absent when the picture was taken.

With stereo music filling the air, these partners speak for all as they enjoy themselves immensely at the Pep Club Formal.

Dancing into the picture from the left are Mr. Rich and his wife. Also seen against the background of "Moonlight and Roses" are Judy Bartschi and Glenn Passey; Karen Stephens and Richard Dunn; Susan Perkins and Jerry Peterson; and behind them Diane Skinner and Gary Lattig.

Pep Club officers Janet Collipriest and Barbara Aland crown Larry Rigby and Glay Homer attendants as Judy Anne Bartschi gives Steve Pugmire the honor of being "Preferred Man of 1960."

Freshman Assembly Jan. 29

The freshman girls displayed their talents at their well-planned assembly by favoring us with a song.

Oh, the boys had their part on the program too! Steven Kunz very much pleased the audience with his entertaining solo.

Lyceum Feb. 4

Mr. Goon Bones really winds up as he portrayed his modern music in this enjoyable lyceum. Everyone welcomed his performance.

Senior Assembly Feb. 5

Jack Evans, Hal Arnell, and Steve Pugmire rendered "Poor Miss Baily" in a most realistic manner!! (They mimicked the KINGSTON TRIO).

The enjoyable Senior assembly progressed smoothly as the Western Scene climaxed dramatically. Featured in the scene were: Jerry Peterson, Bill Jensen, Louise Erramouspe, Jim Rich, Gordon Keetch, Lourien Ludwig, Judy Rasmussen, Carol Leigh Whitman, Robert Esterholdt, and Diane Dalrymple.

Junior Prom "Carousel"

Jenny Kinney, accompanied by Kathleen Michaelson, sang songs from "Carousel." Here she is singing "If I Loved You."

Breathes there a Junior whose soul is so dead that never to his classmates has said "OUR JUNIOR PROM WAS THE BEST IN YEARS" . . . and this year even the SENIORS must agree that the prom was one of the best social events of the entire year.

The Juniors decorated with balloons for a very unique effect. In the center of the floor was a merry-go-round.

Seen enjoying the dance are Brent Kunz, Ann Kunz, Glay Homer, Maxine Bartschi, Fred Nate, Tana Tueller, Jim Simmons, Gloria Stutts, Dwayne Sleight, Odetta Jones, and Glenn Stuart.

Directed by—Darwin Hayes

This picture taken during practice is of Steve Pugmire (Jim) and Carol Leigh Whitman (Judy).

The play concerned four teenagers who were trying to find themselves. Buzz died in a "Chicken Run," Plato died of gunshot wounds, and Jim and Judy fell in love.

The poor relationship between parents and teenagers was the cause of many thrilling scenes.

A new type of staging was used. There were no sets—only lights.

When Carol Leigh Whitman (Judy) tries to kiss Jay Hacker (her father) he slaps her. This picture was taken during practice.

Wynn Roderick (Plato) tries to persuade Steve Pugmire (Jim) to go with him and get away from the influence of the "gang" and its leader, Buzz.

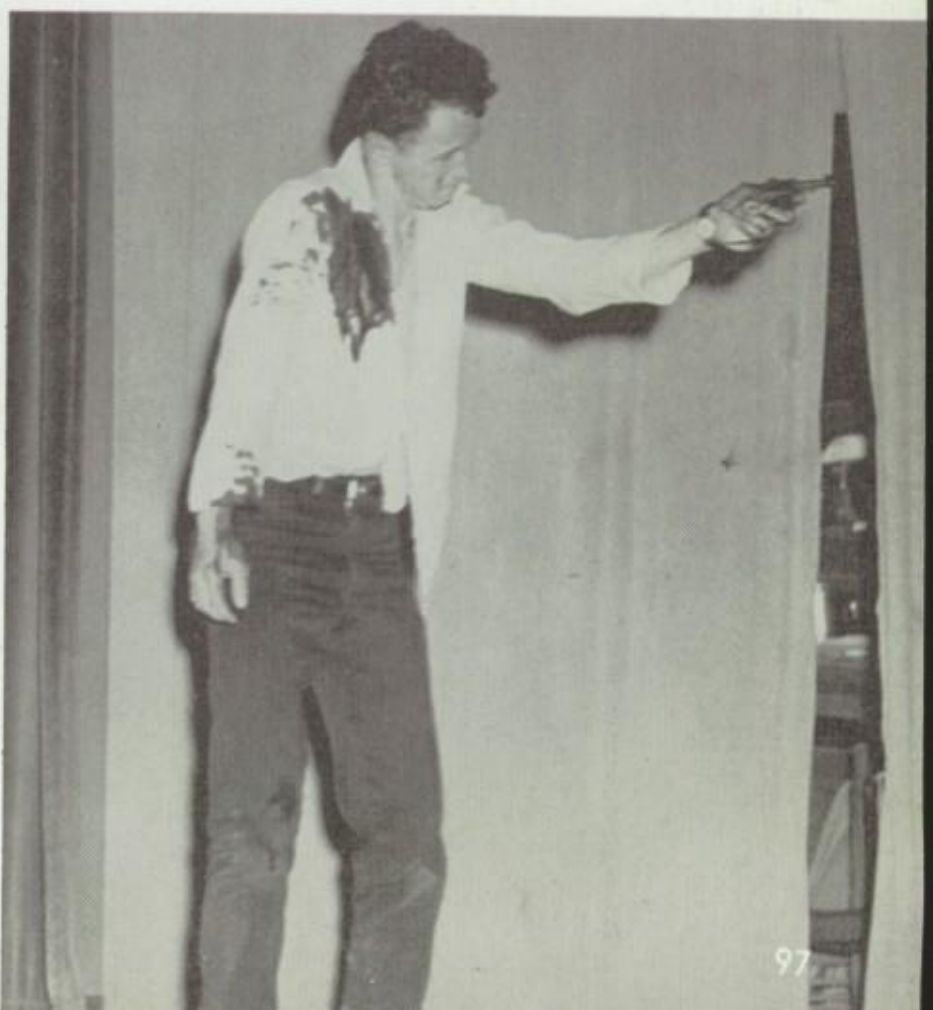

Tension was at an epitome as Steve Pugmire (Jim) chokes Brent Kunz (his father). Diane Price (his mother) looks on in horror.

Berrey Parker (Ray) questions Wynn Roderick (Plato) and Jenny Kinney (Mrs. Davis) tries to help.

Wynn Roderick (Plato) has been hit by a police bullet and is about to die.

Agathon

The Class of '60 attended Agathon on the USU campus as a "sneak" day. They attended a Chuck Wagon breakfast, and toured the many exhibits.

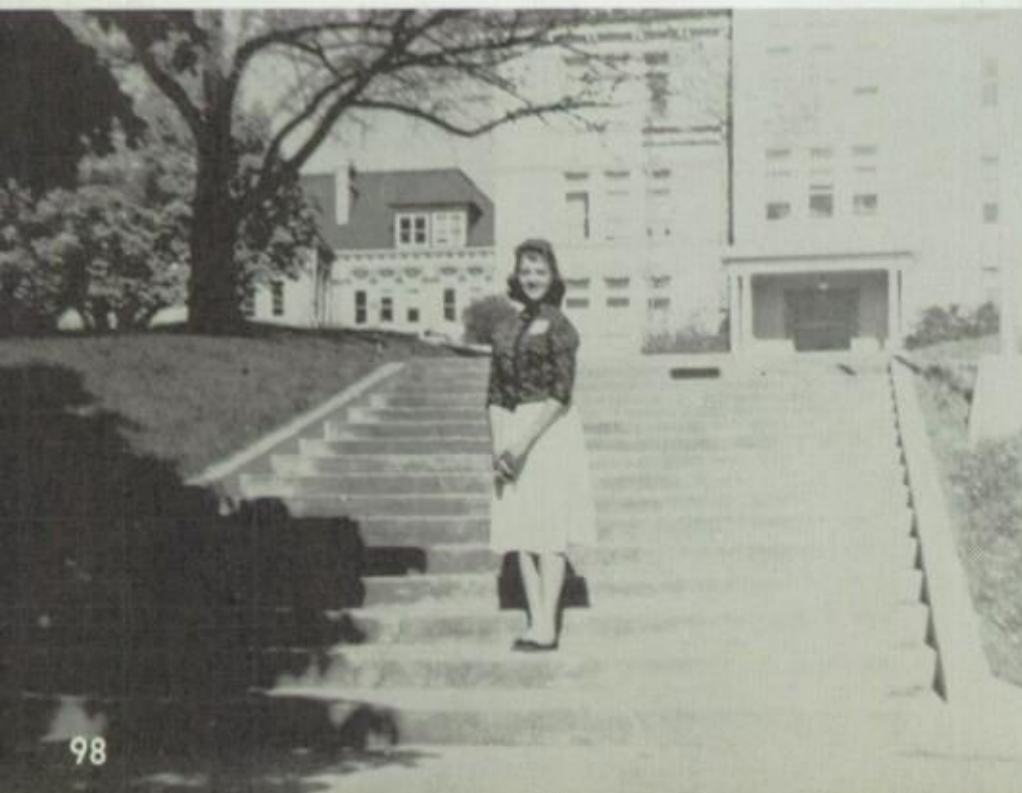

A few of the Seniors have taken a few moments of rest. They are Bob Galloway, Lois Walton, Mr. Rich (advisor), Bob Esterholdt, Ronnie Glenn, Belva Nield, Allen Bagley, and Marlyn Bartschi.

All the Seniors enjoyed watching the landing of the helicopter on the "Quad."

The USU Marching Band also performed on the "Quad" for the pleasure of all who watched.

Lourien Ludwig poses on the campus before she goes on to the exhibits.

Among those visited were one on art—including the ever talked about modern art—and one on languages—which included earphones to listen to Russian, French, and German.

Athletics Award Assembly

Coach Grant presented small replicas of the Whitman Trophy to Steve Pugmire and Roger Sparks (shown here).

A new trophy presented by Stanley Rich and his son for the athlete with the highest grade point for the previous year was awarded to a Senior, Hal Arnell, by Coach Grant.

In the foreground are the District Football Championship Trophy and the Whitman Trophy.

These boys—Gene Widmer, Russell Stuart, Joe Rowsell, Glay Homer, Rodney Wood, Richard Anthony, Spencer Rigby, Allen Bagley, Terry Bateman, and Kenny Wilkes are receiving letters.

The Lions' Club Trophy was presented by Coach Grant to R. Wood (track), G. Homer (basketball), and B. Moss (football).

Final Assembly

Spencer Rigby acted as the Master of Ceremonies for the assembly. The assembly included all of the non-athletic awards—Grizzley, Idamont, Speech, Play, Student Council, and the swearing-in of the new Student Body Officers.

Mr. Munk presented Grizzley awards to Diane Dalrymple, Business Mgr.; and Gladys Clark, Editor.

Mr. Rich, who has finished his final year at MHS, gave a short farewell speech.

He was then presented a watch from the Senior Class and Student Body.

Graduation Day

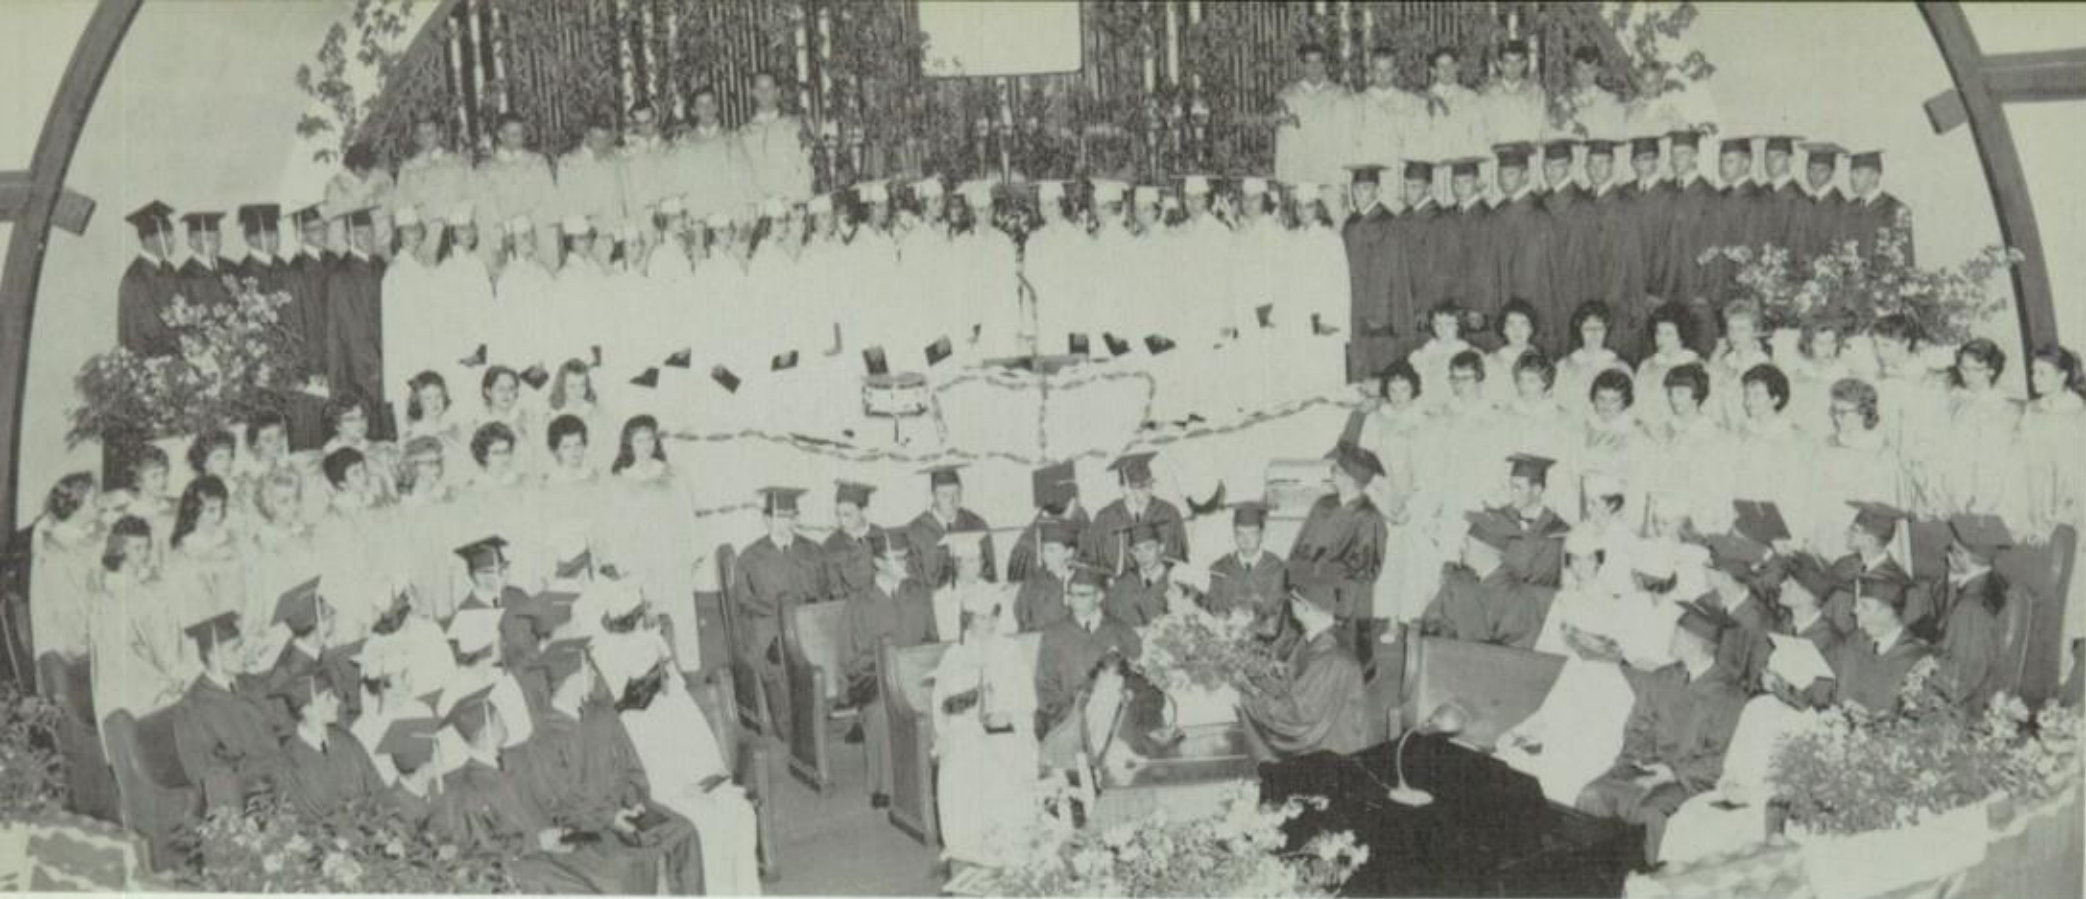

The graduates of 1960 entered the tabernacle to the strains of LAND OF HOPE AND GLORY.

The decorations were green and white (the class colors) and fresh greens, apple blossoms and roses (the class flower) made the setting for graduation very beautiful.

In the picture above, Spencer Rigby is preparing to offer the invocation. Below and to the left, Mr. Winters welcomes everyone to the exercises. To the right Speaker, Dr. E. L. Peterson spoke of meeting the generations' challenge.

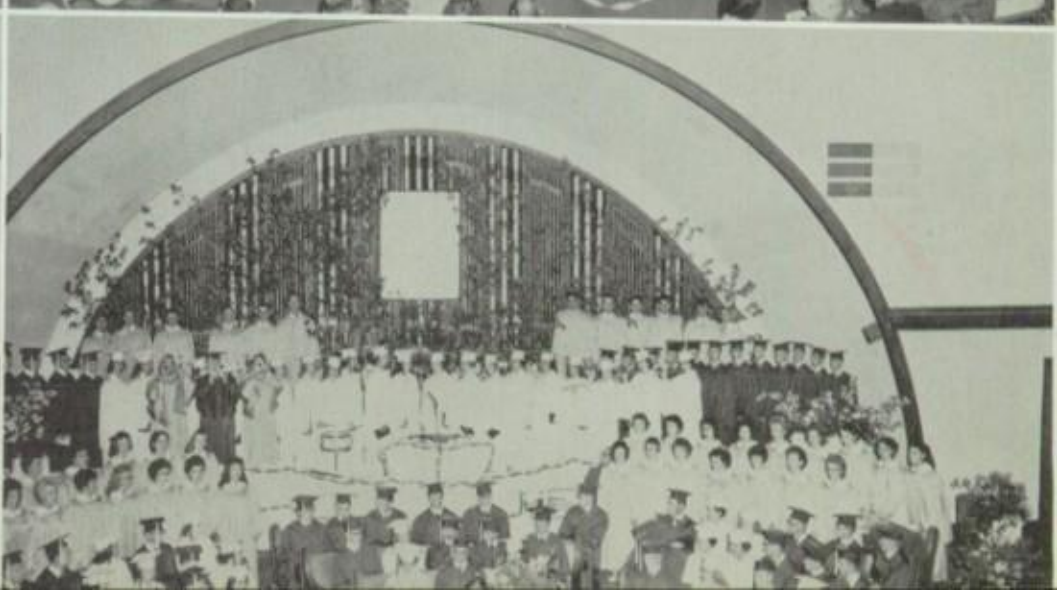

The graduating class and the chorus presented the Finale. It included these songs: "Look to this Day," a boys' quartet (Sheldon Hansen, Jack Evans, Larry Rigby, Ricard Anthony), mixed quartet (the boys and Sheryl Dunn, Carrie Kunz, Roberta Bagley, Dixie Swa), and the "Battle Hymn of the Republic," soloists (Bruce Arnell, Larry Rigby, John Baker, Carol Leigh Whitman, Pat Bagley, Marian Jaussi, Lois Walton).

To the left and below are Dale King and Patricia Bagley who with Diane Dalrymple gave the student talks.

To the right and below, the top picture shows the seniors receiving diplomas. The lower picture is of the Finale and includes the instrumental soloists.

The white screen above the pulpit showed a picture of retiring Supt. A. J. Winters while the chorus hummed as a tribute to Mr. Winters.

SPORTS

The Indian as well as the pioneer relied on hunting and fishing for entertainment and sustenance.

We have different types of sports, but our purpose, as was theirs, is for diversion and to build strong youth.

Rigby snares pass as Bears down Malad.

Evans punts a long one to get the Bears out of the hole against Soda Springs.

Charles "Tiny" Grant is one whom all the students of M.H.S. owe a great and deep appreciation for all the work he has done in turning out the first championship team since 1948, when there was a three way tie.

Darwin Pitchford is another M.H.S. "great" in the field of sports. Through his constant coaching, the J.V.'s won all but one of their games. We all wish to extend a vote of thanks for the great work he has done.

Woods (21) breaking through the Soda Springs defense moves for a large gain in the game which the Bears won easily.

In a powerful drive Pugmire carries the ball into paydirt for another touchdown against the Cardinals.

CHAMPIONSHIP GAME

The Indians, unable to break through the Bears' strong defense, are defeated in the championship game.

Bears open season with Braves as Stuart controls tip to Lyons or Homer. The Braves defeated the Bears in the opening tilt.

Rigby (24) fights to get his shot away as Lyons (21), and Anthony (14) fight for the rebound.

Stuart attempts hook shot in game with Aberdeen. Wood looks on.

Widmer of J.V. shoots jump shot as Nate and Anderson move in for rebound. J.V.'s had a very good season this year. Good things are expected next year.

Track

Front row: Coach Pitchford, Bob Nate, Frank Wallintine, Roger Sparks, Glay Homer, Steve Pugmire, Hal Arnell, Nolan Phillips, John Nield, Orrin George, Rodney Wood, Coach Grant. *Second row:* Kenny Wilks, Terry Anderson, Douglas Wilson, Roger Wilcox, Gary Lattig, Gene Widmer, Fred Nate, D. John Nield and Roger Sparks, the two weight men of the Montpelier Track team, had very good success in throwing the shot put and discus as shown in these pictures.

Pugmire hands off to Woods in leg of 880 yd. relay at the District 5 track meet. The Bear's team placed fourth. Arnell and Homer run the other legs of the relay.

Rodney Wood crosses the finish line as the mile relay team chalks up another win for the Bear track team at the District Meet.

Fred Nate, Steve Pugmire, Hal Arnell, and Rodney Wood are members of the Montpelier Track Team which broke the District 5 record in the mile relay. They were also the only members of the track team which picked up a 1st place at the District track meet. They went on to the Regional track meet and placed third, and their time was better than at District.

The track team takes a break at the District 5 Track Meet. It was held in Pocatello. The track team did better this year than they have for many years.

He hurdled before, proved to everyone that he had the ability. He placed in every track the high and low hurdles.

MONTPELIER HIGH SCHOOL BEARS WIN CLASS A CHAMPIONSHIP

The Montpelier Bears knocked off Preston, 13-0, to capture the district Class A football championship. This was the Bears' first clear district football title since 1936. Coaches Grant and Darwin Pitchford saw the Bears roll up 230 points to the opponents' 34, and end up with an 8 win, 1 loss record, only losing to Star Valley, who won the championship in their district in Wyoming.

COVERT-5-20

Without the capital loaned by interested businessmen with an eye for the future, the first settlers could not have succeeded.

Just as interest was needed more than a century ago, we need and depend on the merchants of our locality to present our "Idamont."

The Idamont staff and the students of Montpelier High School wish to express their appreciation to the merchants of our city and those surrounding. We feel that without their assistance this Idamont would not have been possible.

When asked for ads they were very co-operative. We are also grateful for their help in financing our school paper. They have also backed Montpelier High School in sports, music, and drama. To them, we express our sincere thanks.

In return for the aid and assistance we have received from our businessmen we feel it is our obligation to support them and to help promote prosperity in our city.
